Title: "Free To Be Fearless"

In order to be free, we must be fearless in our thoughts and our choices!

Fearless In Our Thoughts

Genesis 16:1-2, Galatians 4:21-26

Fearless In Our Choices

Galatians 4:27-31

Questions For Reflection:

Do you tend to substitute rules for relationship?
Where do I have fear? (Ask Holy Spirit to help reveal it to you)
How does this fear affect your relationship with God?
How does God want to change your thinking?
What does God want you to know about His love for you?
What is God asking you to choose this week?
