

Prayer and the Spirit of God
By Jerry Disch

“Prayer , therefore, is not simply our cry of desperation or our grocery list of requests that we bring before our heavenly Father; prayer is an activity inspired by God himself, through his Holy Spirit. It is God siding with his people and, by his own empowering presence, the Spirit of God himself, bringing forth prayer that is in keeping with his will and His ways.” Gordon Fee

I. **Prayer of faith.** James 5:14-16, 1 Cor 13:2, Mark 11:22-24, Heb 11:1, 1 Cor 12:7-11, Acts 3:6-8, 2Cor 5:21

The Holy Spirit is present in our lives to aid us in doing the ministry God has called us to... ie. Praying the prayer of faith for others.

II. **The Spirit's Help in prayer:** Romans 8:26-27, John 11:33-35,

The Holy Spirit is present during our prayer times leading us, and praying with us to bring about the will of God for a given situation we are praying for.
