

Title: New Beginnings

Text: Acts 1 & 2

Speaker: Jerry Disch 4-7-24

Introduction:

The first two chapters in the Book of Acts tell of the beginning of God's end time purpose. It is the end of the old, worn out creation. Through Jesus Christ New life has been breathed into the souls of sinful humanity. It is the beginning of the end of the fallen condition of mankind and all of creation. In Jesus Christ is the new birth or as called by the Apostle Paul the "new creation." Not only will humankind experience a right relationship with their God, but also all of creation will be put right. Acts tells us of the start of what is to be completed.

- Seated at the Father's right hand; above all principalities and powers: Eph 1:19-23, 1 Peter 3:22, Col 3:1-4
