

Text: Hebrews 2:10-18

Intro: What is the Gospel?

Scriptural Metaphors:

1. Family Metaphor / Primary Focus is Love
2. Diplomatic Metaphor / Primary Focus is Liberation
3. Courtroom Metaphor / Primary Focus is Justice or Righteousness
4. Temple Metaphor / Primary Focus is Holiness

Textual Considerations:

- "Perfect through suffering" - Not a perfection he did not have. Completing the work of salvation.
- Identification with Humans - Shares in Flesh and calls us family.
- Sets us free - Free from fear of death
- A Faithful High Priest - Act of Death a sacrifice to draw humanity/God together.

Applications:

1. Reframe Suffering
2. Have Empathy/Support for Others
3. Draw Close to God
