#### **Devotional:**

1. *As a metaphor of your life, how would you describe your house right now? What needs to be torn down and rebuilt?*
2. *Do you see yourself as a holy brother or sister in God's household? Why or why not?*
3. *How would you describe the calling on your life?*
4. *Carefully consider who Jesus is, and then ask how it should impact your life or situation?*
5. *Where do you need hope the most and where is it anchored? Praise the Lord for who he is and his desire to help. An then pray for the confidence and hope you need to anchor in him!*
