Devotion:

1. A believer not only has salvation but has a calling on their life from God. In faith the men and women in Hebrews 11 obeyed and followed God in different ways. Like a race that gives purpose and a goal to strive for, what is the race that the Lord has laid out before you?
2. A runner sheds all the things that would hinder them. What anxieties weigh your heart down or sins that trip you up? What can you do to shed these hinderance in your walk with Christ?
3. One must have an attitude of perseverance and hope to endure suffering. What is challenging your faith right now? What needs to shift in your attitude so that you can endure?
4. What do you learn from Jesus' example in following God's will, even when suffering?
5. Read Psalm 121. Then pray and ask the Lord to keep you and how he wants you to fix your eyes on him?
