Devotional – Read John 19:38-18, 21-22

1. What will happen to you after you die? This can be an uncomfortable question, but this is a good thing if it leads you seek meaning in life from your creator and what it means to be human.
2. If a plastic life is one that is lived falsely to whom God made you to on the inside, where might there be plastic in your life?
3. If you believed Jesus is not only our Savior but the one who created us with his Father in heaven (John 1:2-3), how might you seek to know him and find meaning to life?
4. Read John 11:25-26. Pray and ask Jesus to help you find this abundant life he promised to all those who would believe he is the Resurrection and the Life!
